

Continuing Education and Competency Program College Registrant's Reflection

Name of Registrant:	
CDHPEI Registration #:	
Course Name /Topic:	
Date Completed:	

1. Identify one specific example of what you have learned.

2. Provide two concrete examples of how you can apply this to your practice.

3. What are some challenges that you may encounter in applying your new knowledge?

4. How do you propose overcoming those challenges? Benefits to your patients (if applicable).
